

## **TEST RESULTS:**

Independent testing has proven Algarid's effectiveness. Tests conducted by the Public Health Laboratories for example, produced the following results, in an independent field test.

<b>Standard Plate Count (Cal/ml)</b>	<b>Untreated Water</b>	<b>ALGARID Treated Water</b>
Total Count 25° C	3000	300
Total Count 37° C	4000	240

For further information contact Algarid.
